

What we deliver.

Since 1849, Comerica has been raising the expectations of what a bank can be by delivering a higher level of service and solutions that nurtures lifelong relationships. As a regional bank, Comerica occupies a unique niche within the financial industry, combining a number of “big bank” products and services, but with a more localized and personalized touch. Estate Settlement

Comerica offers experienced and knowledgeable professionals dedicated to settling estates and estate administration trusts, providing the level of expertise required to ensure that the wishes of the grantor are carried out in the most effective manner possible.

Charitable Trust

The charitable planning process can help clients create their personal legacy reflecting values now and in the future. While many providers focus on taxes, trusts, wills, and other complex legal issues, Comerica’s approach starts with the client’s wishes and values in mind.

Special Needs Trusts

When it comes to minors and clients with special needs, each relationship is unique. Learn about how we improve the quality of life for clients with meaningful and individualized planning.

Trust Real Estate

Real estate assets have their share of unique investment qualities that require oversight and professional management, especially in a fiduciary environment. Comerica utilizes the expertise among its team to maximize the benefits of all types of real estate assets.

Specialty Asset Management

Comerica has a dedicated team and a deep bench of experience in the fiduciary oversight and management of specialty asset holdings including closely held business interests, oil/gas/minerals, and intellectual property.

1031 Exchange

The value we bring to our clients is tax savings and access to capital. The availability of a neutral third party to hold funds helps facilitate mergers and acquisitions, resulting in fantastic opportunities for our clients to grow their business.
