Hello Irvin,

I hope you are doing well.

Our organization has been working with the National Community Reinvestment Coalition (NCRC) and learning more about the Community Reinvestment Act (CRA) and the process of commenting on CRA exams, mergers, and branch closures.

We noticed that Comerica is scheduled for its CRA exam in the third quarter. We had NCRC take a look at your local small business lending, and they noticed that Comerica trailed non-credit card lenders in lending to small businesses by 21% in Dallas County from 2015 to 2016, and by 22% in Comerica's larger Dallas assessment area.

We are hoping to schedule some time to meet with you to discuss how we may be able to assist Comerica with reaching more small businesses in Dallas. Please let me know when you would be available to meet.

Yours Sincerely,

Subject: Community Reinvestment Act (CRA)

Comerica has an interesting way of administering its CRA funds. While they have been my corporate bank for a few years I have yet to receive 1 donation from them. I just got another declination this month.

I requested a full accounting of CRA dollars in 2017 as it appears those dollars are going to non impacted community organizations, ie Belle Isle Conservancy, Hatch, Business Leaders of Michigan, violating CRA. I met with Sue Schmidt and Mike Cheathem, your CRA officer, regarding dilemma after they distributed $50000 to Hatch Detroit who withdrew a Black enrepreneur semifinalist after they told her she had won. While they compensated by selecting 4 African descent winners for Hatch 2018, Mike Cheathem stated has was not obligated to provide such information so hence I have yet to receive that CRA accounting and neither have I received a donation. I received another declination 4/2018 for a $2500 request.

Frankly, if Comerica Bank can provide donations of $50,000 or more to non-Black led nonprofits it is a insult to provide $2500 to Black led nonprofits which has been the customary procedure.

I need to see the CRA accounting in full, in the same detail as it is provide to your regulatory bodies. I reached out to those regulatory bodies who stated by law it has to be disclosed. As an economist, who specialized in money & banking, (see my attached Bio) I am irritated that my own bank has played such games in providing this information. Please forward the CRA accounting in detail for 2015 - 2017.

11. A record represents one row of data reported to the Federal Reserve Board. This does not in any way represent the number of loans originated or purchased by the institution.
