HELPFUL TIPS FOR USING THE REWARDS CARD

- Know Your Balance: The Rewards Card transaction will be declined if you attempt to make a purchase in excess of your card balance. If your Rewards Card value is not enough to cover the full amount of your purchase, ask the cashier to split the transaction between the remaining card balance and another form of payment. Tell the cashier how much is on your Rewards Card since many merchants cannot tell what the balance is. Visit www.elanrewardscard.com for balance information.
- Most restaurants, salons and other services where you typically tip may temporarily add approximately 20% to your bill to cover the tip. Make sure your balance can cover the 20% or your transaction will be declined.
- Pay inside for gas purchases. Do not pay at the pump.
- Go to www.elanrewardscard.com to register your card with your name and address before you make any purchases over the web, phone or through the mail. Many merchants do an address match to make sure that the card belongs to the person making the purchase.
- Visit www.elanrewardscard.com for additional helpful tips on how to use your Rewards Card.
- Rewards Card is not redeemable for cash.
